

# ST FRANCIS NEWS

*17th September*

**In Jesus we will do our best as we love, pray, learn  
and play because this is the St Francis Way**

Dear parents,

We have had a busy term in school already and we have lots of events planned for the term. I will send out a revised calendar shortly as dates are being added in for all sorts of activities, including our Harvest Mass and Scholastic Book Fair.

Today the children had their first House Family meetings and new House Reps were nominated by the children. The children came up with some excellent ideas for the school and I look forward to working with the House Representatives to improve aspects of school life with their involvement.

We are all excited to host our Macmillan Coffee Morning next week and warmly invite you to attend. We invite you to the school hall straight after school drop off next Friday.

Kind regards,  
Mrs Brown- Head Teacher

On Friday 24th September 2021 Year 6 will be holding our annual coffee morning in aid of Macmillan. We would be really grateful for donations of cakes for the coffee morning and are asking for individual muffins/cupcakes/cookies to keep as COVID safe as possible. Cakes do not need to be homemade but cannot contain any nuts.

Please can all cake donations come into school on Thursday 23rd September to aid us setting up in the hall.

We will also be running a raffle stall -come along and try your luck. If you would like to donate a whole cake for a raffle prize then that would be fantastic as it will help us to raise even more money for such a great cause! This event is open to everyone so please bring friends and family to support this important cause.

Over the course of the morning we will also have some live performances on the stage from different classes in the school.

Think U Know is a website with a wealth of resources around online safety. We will be using some of these resources in school but there is an excellent parents page.

<https://www.thinkuknow.co.uk/parents/Listing/?cat=66,67,68,69,70,72&ref=4765#mMain>

There are some animated videos aimed at all age groups which are a great way to start conversations about online safety with our children. I know that this is a source of anxiety for us as parents and I have found these resources provide excellent advice and signposting to other resources.

Worried about your children playing video games on their own, then why not join them? AskAboutGames.com is a fantastic resource for advice on gaming as a family.

## PTA

If you would like to join our fantastic PTA or just contribute on an adhoc basis to events, please email [stfrancisschoolpta@outlook.com](mailto:stfrancisschoolpta@outlook.com) or send a message to the PTA Facebook Page - Saint Francis Catholic Primary School PTA.

Our PTA are looking for volunteers so do get in touch if you have some spare time that you are willing to give to the school.

Thank you.

## Our Curriculum in Action

Children in Y1/2 looked at different materials and discovered which materials would be best to use to make our own umbrella.

## Our Curriculum in Action

Our EYFS children made the most of the hot weather last week by making their own beach.

Keep an eye on our Facebook Pages for more updates of what children are doing in school!

## Safeguarding

Our new Safeguarding and Child Protection policy is now on our school website. Please see this at:
