Friday 12th June 2020

Dear parents,

Thank you all for a wonderful return to school during the wider reopening of our school. Things are working well in school and here are some photos of some of the things that the children have been doing.

COVID-19 Tests

If your child is attending school and is tested for COVID-19 for any reason (for example- if your child is not experiencing symptoms but someone else in the family is) then please inform the school as soon as possible. We will then need to put into place procedures, as per our risk assessment. Please email me directly if this is out of school hours or call the school office.

Home Learning

In Jesus we will do our best as we love, pray, learn and play, because this is the Saint Francis way

All of the home learning is uploaded onto the website for the children who are not attending school. Please do keep letting us know how the children are getting on at home- we love to see pictures and pieces of work. Here is a reminder the key pieces of learning for children to do at home. The BBC bitesize resources have proven to be very good so do make use of those.

My Ideal for all St Francis children

- My absolute number 1 is that children read every single day. There are so many amazing free resources out there at the moment which we have shared on Dojo
- Some free writing each week- maybe a story, daily diary or a comic
- Practical and hands on Maths via cooking, Maths games (be that physical or digital) or any other medium you can think of
- Physical exercise every day- a short walk/cycle can be just what is needed
- Some art/music at some point during the week
- Fine motor work- cutting, sticking, lego, playing with small toys
- Lots of free, imaginative play, the more independent the better (especially for younger children)

A prayer to share

May we celebrate our differences
For we are all children of God
Let us not be strangers
But loving people of faith
Let us grow in knowledge that we are precious in God's sight
We are different faiths
We are different races
We speak different languages
We are all children of God

Help us to share in the diverse life experiences that you send us Lord.
We ask this through Jesus Christ

Amen

God bless you and your families,

JBrown.

Mrs Brown
