

Friday 26<sup>th</sup> June 2020

Dear parents,

We have had some wonderful experiences in school over the past few weeks and please do look at our Facebook page where we post regular pictures of the things that have been happening in school. This week saw an incredible effort for the "Leicestershire & Rutland Sport (LRS) Virtual Summer Championships". My thanks go to Mrs Eaves for organising the event and I look forward to hearing the results when they are announced later today- look out for this on our Facebook Page!

## End of Year Liturgies

Bishop Patrick is planning to live stream an end of year Mass for students of all schools across the diocese. It will take place on Monday 6<sup>th</sup> July at 10.30am on the NDCYS youtube channel. More details about this will be sent out in the next week.

There will be an end of year Zoom liturgy on Thursday 9<sup>th</sup> July at 2pm. All classes in school will be participating in some way and I will announce our Outstanding Service Award winners during this liturgy. We look forward to seeing you there as we mark the end of what has been an unusual academic year and I hope it will be a chance for us to reflect on a time where we have deepened our understanding of our lives and the world around us.

## Year 6

Year 6 will be hosting a leavers liturgy on Wednesday 8<sup>th</sup> July at 2pm in Zoom. Miss Vissani will send the link to Y6 parents prior to the liturgy. We will also be hosting an outdoor disco on the field at 3.30pm-5pm for the Year 6 children. **This will only be for the children who are**  
***In Jesus we will do our best as we love, pray, learn and play, because this is the Saint Francis way***

**attending school** as children will be kept in their bubbles on the field. Children will not be able to change but can bring an extra snack and drink for the disco. Thank you to our resident DJ Matthew (and his dad) who will be doing the disco for us.

### Melton and Rutland Unsung Heroes

I want to say a big thank you to everyone in our school community for the inspirational community work you have been engaged with this academic year. I was delighted to received a letter from our local MP Alicia Kearns recognising the children and staff as Melton and Rutland 'unsung heroes'. I am so proud to be leading a community that shows such care and compassion to others and I look forward to taking a group of children to a celebration event hosted by Alicia Kearns in the new academic year.

### Transition to new classes

On Monday, we will send out information about your child's new class. Transition has had to be approached in a very different way this year due to the current restrictions. However, your child's new class teacher will send a letter to introduce themselves and to let you know the key information for the new term.

### Photos

Please do take a look at the class photos which the class teachers are sharing through Class Dojo. There is no obligation to purchase these but this is a lovely offer from our photographer which you may like to buy as a memento. All details are provided on the photo and purchases are to be made online.

God bless you and your families,

*g.brown.*
