## Catholic Primary School

### **Behaviour Policy**

**2020**

In Jesus we will do our best as we love, pray, learn and play because this is the St Francis way

At St Francis Catholic Primary School, the Catholic faith is the foundation of our school culture and ethos. We believe in the power of forgiveness and reconciliation and all members of the school community relate behaviour to the Gospel values and Catholic virtues.

#### **1. Aims:**

- There is a consistent approach to behaviour throughout the school with parental co-operation and involvement, working with staff, pupils and governors.
- To ensure all children respect themselves and others, recognising and respecting those from other cultures in the school and wider community, as children of God who are unique and special.
- Encourage a calm, purposeful and happy atmosphere within the school
- Encourage increasing independence, self-discipline so that each child learns to accept personal responsibility for their own behaviour
- To implement a disciplinary framework that is clear and understood by all members of the St Francis community

#### **2. Core principles**

Within our school and wider community all pupils and adults are encouraged to demonstrate courtesy, manners and respect for everyone. This framework of positive behaviour is based on the following principles.

Respect for God

Respect for others

Respect for other people's property and belongings

Respect for oneself

### **3. Shared Responsibility**

We believe that parents are the first educators of their children and value a collaborative working relationship with parents whereby parents support the actions of the school. We expect parents and carers to support their child's learning, and to cooperate with the school.

## **4. The St Francis Way**

### **Love**

- We are polite
- We treat others with respect
- We are kind and helpful

### **Pray**

- We are respectful
- We are honest
- We say sorry

### **Learn**

- We do our best, developing our talents and improving our knowledge and we allow others to do the same
- We are responsible
- We listen to adults and each other

### **Play**

- We move calmly and safely
- We play fairly and have fun
- We line up quickly and quietly

We think about what Jesus and our House Saints would do

**Community**

**Joy & Spirit**

**Knowledge and Enquiry**

**Communication**

**Ambition**

**Responsibility**

Throughout the year we will explore different character strengths and Catholic virtues. This alongside a variety of other resources, will give children the develop ideas of responsibility and personal accountability.

## **5. Uniform**

We are proud of our school uniform and encourage our children to take pride in their appearance to establish a sense of community and expectations in school. Staff will enforce the uniform expectations and parents will be informed if these are not being met.

## **6. Classroom Behaviour Management**

We aim to provide children with a rich and challenging curriculum. When children are provided with activities which are well matched to their individual needs and abilities, this minimises disruptive behaviour. Staff are expected to provide a well-organised classroom environment which will encourage and support positive behaviour.

Class teachers, supported by teaching assistants, will:

- Make sure that they are always present to supervise children in the classroom
- Prepare equipment and materials before each lesson
- Co-construct a class charter with the children, which is then clearly displayed
- Praise and reward positive behaviour
- Actively teach and refer to the character strengths and Catholic virtues
- Use appropriate tone, language and volume to model good behaviour to the children
- Be consistent in response to infringement of the classroom charter

## **7. Rewards:**

The emphasis at St Francis should always be on positive encouragement. There will a range of rewards which are used by staff:

Quiet words of encouragement

Praise in class

Dojo-points (Points linked to Catholic Virtues)

Written comments on work completed

Badges

Stickers  
Certificates  
House points – Play time and lunchtime  
Special commendations

## **8. Sanctions:**

The primary responsibility of all staff is to deal with problems themselves, in a way that maintains the dignity of all involved.

Each classroom will have 4 footsteps displayed and the children will move from one step to the next but have the opportunity to start afresh at the end of the day. A reminder will be given before progressing onto the next step.

Step 1: If a negative behaviour is not corrected after a reminder, the child is placed on step 1. Their behaviour is recorded.

Step 2: Time out in the classroom (10 minutes) or use of 10 minutes of playtime to catch-up on missed work

Step 3: Sent to a member of SLT- time in reflection at next lunchtime

Step 4: Sent to Head teacher who will liaise with parents to inform them that the child's behaviour is falling short of expectations.

If a child's behaviour is repeatedly falling short of the required expectations, parents will be informed by the Head Teacher and invited to a meeting to discuss the child's behaviour. After the meeting, specific targets will be agreed with Mrs Griffiths (AHT) and agreed sanctions and rewards will be put into place. This will be monitored through a behaviour log. This will be reviewed weekly.

The school's choice of appropriate sanctions needs to be fair, just and flexible to take into account of individual circumstances.

## **9. Playtimes and lunchtimes**

Lunchtime staff have had 'happy lunchtimes' training. This approach gives children and staff a clear structure for positive behaviour during lunchtimes by providing focussed and varied play opportunities and meaningful social interactions. It promotes a positive attitude towards lunchtime staff and peers and has specific rewards and consequences for lunchtimes.

Rewards

1. Coloured balls are given by the lunchtime supervisors when they see good behaviour. These go into tubes for children's house colour and are counted and celebrated weekly.
2. Certificates are given out in assembly weekly for children chosen by lunchtime supervisors who have shown good behaviour throughout the week.
3. Top table - Every half term, children who have consistently displayed the school's values during lunchtime will be chosen to sit at the 'top table' and have a special lunch with a member of the lunchtime team.

### Consequences

1. A reminder will be given to any child who is causing minor problems on the playground.
2. If the incident is considered to need a moment of reflection, lunchtime staff will give the child a chance two minutes to reflect on their behaviour. They will reflect on how to make better choices if the situation arises again. This will link to the school character strengths and Catholic virtues. This can become 5 minutes where the pupil is uncooperative or doesn't accept responsibility.
3. Referred to SLT – For more serious incidents such as violence, bullying, swearing, disrespect to lunchtime staff. SLT to collect child and complete a reflection with them. The child is then returned to lunchtime staff when possible.

### **10. Physical restraint – see physical restraint policy**

In some circumstances, fully trained staff may use reasonable force to restrain a pupil to prevent them:

- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort by staff who have been trained
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be applied in a way which maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents
- 

### **11. Monitoring arrangements**

The school records children's behaviour in class using the system of Class Dojo. This allows class teachers and the Senior Leadership Team to monitor behaviour in class. During lunchtimes and playtimes, incidents are recorded by members of staff on duty on a lunchtime incident sheet which is then passed to a member of SLT and the class teacher is informed. The SLT record serious behavioural incidents on CPOMS which is an online system. These are reviewed by the Head Teacher and the pastoral AHT termly.

To be revised September 2021

## Coronavirus Addendum

### 1. Scope

This addendum applies until further notice.

It sets out changes and exceptions to our normal behaviour policy. Pupils, parents and staff should continue to follow our normal behaviour policy with respect to anything not covered in this addendum.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

Expectations for pupils in school

### 2. New rules

When pupils are in school, we expect them to follow all of the rules set out below to keep themselves and the rest of the school community safe.

Staff will be familiar with these rules and make sure they are followed consistently.

Parents should also read the rules and ensure that their children follow the new procedures that have been put in place. Parents should contact Mrs Hannah Griffiths if they think their child might not be able to comply with some or all of the rules, so we can consider alternative arrangements with them and support them to integrate back into school life.

- Pupils will arrive at school punctually at the nominated time for their year group and will line up on the lines, observing social distancing. Hygiene, such as handwashing and sanitising
- Pupils will only play with pupils in their group at lunch time and break times and will not come into contact with pupils not in their group.
- Pupils will move around the school sensibly, in single file and will avoid touching other pupils or staff as they move around the school. Pupils will only use the allocated toilets for their group, the school hall (when instructed) and their own classroom. Pupils will not enter the school office.

- Pupils will ensure that if they cough or sneeze they follow the 'catch it, bin it, kill it' approach and avoid touching their mouth, nose and eyes with hands
- Pupils will immediately tell an adult if they are experiencing symptoms of coronavirus
- Pupils will use their own pen, pencil and colouring pencils (in KS1 these will be provided)
- Children will stay in the areas they are directed to play in at break or lunchtimes
- Children will not purposely cough or spit at or towards any other person

## **2.2 Rewards and sanctions for following rules**

To help encourage pupils to follow the above rules, we will:

Give children Dojo points/stickers/praise

If children purposefully break the new rules then after an initial warning and reminder of expectations, if the behaviour continues pupils will be given time out of the classroom/activity and parents will be informed. If behaviour persists after a time out and communication with parents, pupils may receive an internal-exclusion for half a school day.

## **2.3 Changed rules**

Until further notice, we will alter the following school rules:

- Attendance- the latest government guidance says attendance will be mandatory from September. We will be following our attendance policy and guidance as normal
- Uniform- We will be expecting all children to attend school in full school uniform from September 2020. Children in Year 5 and 6 will be permitted to come to school in sports kit on their PE days. If pupils cannot wear their full uniform, parents should contact Mrs Griffiths/Assistant Head Teacher, Pastoral who can provide support and guidance. Please see the uniform section on our school website for full information about uniform

## **3. Expectations for pupils at home**

### **3.1 Remote learning rules**

If pupils are not in school, we expect them to follow all of the rules set out below.

Parents should also read the rules and ensure their children follow them. Parents should contact Mrs Orridge- Assistant Head Teacher- Teaching and Learning, if they think their child might not be able to comply with some or all of the rules, so we can consider alternative arrangements with them and support them with their learning.

- Pupils must be contactable during the school day and be taking part in learning activities as directed by their class teacher

- Pupils must complete the work set to the deadline set by teachers
- Pupils should seek help if they need it. They can use the class dojo app to contact teachers

For pupils who receive additional support in school we will communicate adapted expectations with parents directly, considering the needs of the child.

### **3.2 Dealing with problems**

If there are any problems with pupils adhering to rules around remote learning, including if they don't engage with the remote learning set for them, we will contact parents and seek to resolve any issues that may be preventing children from engaging.

We will review this policy as guidance from the local authority or Department for Education is updated. This will be at least every half term.
