

Total PE and Sports Premium Funding = £18,090

The Physical Education (PE) and Sport Premium provides funding for primary schools to help them improve the quality of PE, physical activity and sport.

Schools should use the premium to:

- Develop or add to the PE and sport activities that their school already offers;
- Build capacity and capability within the school's provision, helping to ensure that improvements made now will benefit pupils joining the school in future years.

In delivering additional improvements that enhance rather than maintain provision, it is expected that schools will see an improvement across the following 5 key indicators:

1. The engagement of all pupils in regular physical activity - The Chief Medical Officer guidelines recommend that children aged 5-16 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. The profile of PE and sport being raised across the school as a tool for whole school improvement;
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broader experience of a range of sports and activities offered to all pupils;
5. Increased participation in competitive sport.

Schools can use their funding to:

- Provide existing staff with professional development, mentoring, training and resources to help them teach PE & sport more effectively;
- Hire qualified sports coaches to work with teachers to enhance or extend current provision;
- Introduce new sports, dance or other activities to encourage more pupils to take up sport;
- Support and involve the least active children by providing targeted activities and running or extending school sports and holiday clubs;
- Enter or run more sports competitions, form partnerships and run sports activities with other schools and clubs;
- Increase pupils' participation in the [School Games](#);
- Encourage pupils to take on leadership or volunteer roles that support physical activity and sport within the school;
- Provide additional swimming provision targeted to pupils not able to meet the requirements of the national curriculum;
- Help embed physical activity into the school day through active travel, active playgrounds and active pedagogy.
