Dear families,

A huge well done to the Year 6 children on completing their SATS. I am sure that the children will feel happy and accomplished to come to the end of this week. They have done brilliantly and were very calm and focussed throughout- well done!

Thank you for the photos of parents in their vocations. The children loved seeing these in our Celebration of the Word. Their mission was to create a poster or picture of what they would like their vocation to be and the virtues they need to grow to reach their goal. We have had some great images so far.

Don't forget to enter our summer raffle- Mrs Owen is selling tickets on the playground after school.

and the St Francis team.

Congratulations to all
the children who have
received awards this
week

VIRTUE
Ambition

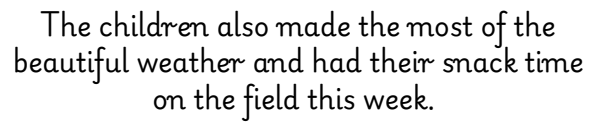

MISSION

This week's mission was
to create a poster of your future vocation and
add the virtues you feel you will need to reach
your goals.

Parish of St John the
Baptist
Keep up to date with the
Parish news [here](#).

A group of approximately 18 children are sitting in a circle on a grassy field. They are wearing various hats and clothing, including brown shirts, yellow shirts, and a blue shirt. Some children are holding small objects, possibly toys or tools. In the center of the circle, there are two coolers, one blue and one white. The children appear to be engaged in an outdoor activity, possibly a game or a lesson.

CATHOLIC LIFE AND MISSION

In RE in year 1, the children discussed how they could take care of God's creations. The children have created some beautiful posters.

Stewardship

We are guardians of God's creation, living sustainably and enhancing the wellbeing of our planet

Catholic Social Teaching

Catholic Agency for Overseas Development CAFOD

Across our curriculum, we discuss Catholic Social Teaching principles. One of these is Stewardship. The little story below can be shared with your children to get you thinking about how we can ensure that our world is protected for future generations. Even the little things we do can make a difference. Our Eco Team make sure that we turn off lights, recycle what we can and use our school resources wisely.

Caring for God's gifts

Stewardship

Sofia the sloth's story

Sofia often sleeps in her favourite tree within a National Park forest.

One day a big machine woke her up and started chopping down the trees. She joins some of the others who call the forest home, to stop the illegal logging.

She reminds the operators that these trees need to be cared for like the rest of God's creation.

From Sofia's story we find out that we need to be caring for the many gifts that God has given to us. These include our environment,

Start of our School Day

Our school day starts at 8:45am and children access our school playground's entrance on Blyth Avenue.

The gates are locked at 9am and if you are late arriving to school AFTER this time please drop your child(ren) off at the front of the school on Dalby Road.

Please could we remind you that you should not be dropping children off at the front of the school BEFORE 9am unless they are accessing our Reading Club.

Class Photos

Photograph proofs of our class photographs have been given out to our children to take home.

The quickest way to order copies it to use the QR code on the proof. Please remember to order your copies before Wednesday 4th June.
