

SAINT FRANCIS

CATHOLIC PRIMARY SCHOOL

Friday 30th January 2026

Dear families,

The swimming gala was a great success and we are proud of the children for being awarded Spirit of the Games. This Wednesday we celebrated the feast day of our trust patron Saint Thomas Aquinas. The children who visited enjoyed meeting representatives from the Saint Vincent De Paul charity, who put their faith into action by helping all those in need. The children in school enjoyed some feast day activities and thought about how they will continue to spread hope after the end of the jubilee year.

Mobile Phones

A reminder that any children in Y5 and 6 who walk home are permitted to bring in a mobile phone, only if they have a signed permission slip. These can be collected from the school office. Mobile phones must be handed to the class teacher who will keep them locked away and then return them at the end of the school day.

Parking

Just a reminder to support and show respect for our neighbours by parking safely and responsibly. We appreciate your attention to this.

Have a wonderful weekend all,
Mrs Brown

MISSION

Some amazing missions this week with many different pieces of scripture chosen!

In March we will be holding a 'Step into the NHS' day where we will find out about different careers in the NHS. If you work for the NHS, please share your bio with us so we can inspire the children!

See an example of a competition winner from last year. See details below. If children would like to enter the competition, they can bring their entries into school and we will send them in on their behalf. Final date is Monday 20th April so that we can get the entries in.

We are challenging pupils in years 3-6 to choose up to three different NHS jobs that really stand out and then use their creativity to tell us what they have learnt about them.

Hope Prayer

Loving God,
in the Bible you teach us
how important it is to be people of hope.
When we hope in your love, we find strength to persevere.
When we hope in your love, we find patience to wait.
When we hope in your love, we find courage to try.
When we hope in your love, we find people to help us.
And when we hope in your love,
we find the confidence to help others, too.
Lord, may we always be people who hope in your love
and share this hope with others.
We make this prayer through Christ, your Son.
Amen.

PIC•COLLAGE

EYFS spelling out the word 'Hope' with their bodies. and creatively in the provision.

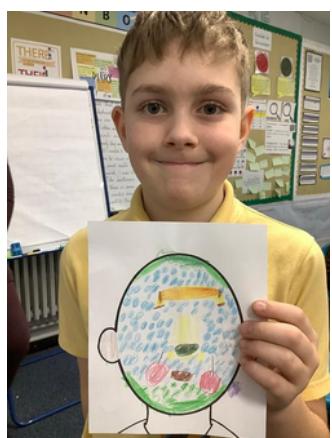

The children showed great stamina and resilience when doing their circuit training in PE in Year 5!

Year 4 have been creating some collages in their art lessons. Year 5 and 6 have been recreating some famous artworks too!

Year 2 have been preparing for the feast day by listening to parables such as Feeding the 5000, Moses and The Good Samaritan. We also did some lovely activities to help the children to understand the lessons behind the parables and how they can grow and live out the virtues.

Hot dinners

Some days when our menu looks more delicious than a packed lunch brought in from home, children take a hot dinner when they have not booked one.

We have a wonderful cook team who always cooks extra food but we need your support in reminding children that if they say they are having a packed lunch NOT to change their minds and a take an unbooked hot meal.

Thank you for your support in this and if you notice a full lunchbox coming home you may wish to ask them if they had a hot dinner instead and if they booked one.

Thank you for your support with this.
