'Love One Another, as I Have Loved You'
John 13:34-35

Dear families,

It is wonderful to feel spring finally making itself known in our school grounds. The Eco team have been busy making improvements to our grounds and it certainly feels like spring is in the air!

Thank you for your generous donations at our CAFOD family breakfast. £160 was raised for CAFO, which is incredible. We had some great feedback and the children enjoyed sharing some classroom time with you all.

World Book Day was also a great success with some very creative and thoughtful word choices!! The children took part in some paired reading with other classes and we are compiling lists of their favourite authors so that we can give our library, and class libraries, a bit of an update.

A group of children also visited the Methodist Church on Sandy Lane to join in with the World Day of Prayer. The theme this year was Nigeria and the children had a wonderful time of prayer and reflection. We felt very welcomed and the service was beautifully prepared by Christian women from Nigeria and celebrated by parishioners from various Christian churches in Melton. It was wonderful to be a part of this.

Have a lovely weekend,

Mrs Brown

Our Eco Team led a Celebration of the Word to finish our week. We dedicated a new bird table, which has been donated by Mrs Brown's family in memory of Julie Brown who was once the school bursar and worked at the school for over 30 years! She loved St Francis school and became one of the companions of the sisters once she retired from her role. She was an active parishioner and passed away this time last year. The family wanted to gift something to the school in her memory. It is a beautiful addition to our prayer area. The newly painted statue of St Francis will also be returned to finish off the prayer area.
