Dear all,

PTA AGM

The PTA AGM has now been scheduled for Monday 23rd November at 3.30pm in the school hall. Please come along and get involved with vital fundraising for our school. The PTA have contributed to school trips, additional resources and bigger projects such as the trim trail. All of these things enhance the school experience for our children. Come and join in and help plan some great events for the school.

The Mental Health Support Team have shared a winter wellbeing resource which you may find useful. There are some great links to local activities which can be accessed over the winter months. Click the picture for the link to the resource.

We look forward to seeing you at our Big Breakfast next week- don't forget to register your attendance on the form.

Celebrating our talents

Well done to Arthur and Alfie who carried on last week's mission of doing something for nothing. Sweeping leaves is a fun autumn job and they even helped their neighbour.

Parish of St John the Baptist
Keep up to date with the Parish news here.

This week's mission was to find out some facts about our school saints. Well done to everyone who completed the mission.

Well done Abigail on winning woman of match at her last training session.

Family Learning

We are launching a new programme of family learning to support you to engage with key aspects of your child's learning. This will be during the school day initially and then we will run some evening sessions in the Spring and Summer Terms.

Run by our teachers, the sessions will start with a short session in the hall and then you can join a lesson for 15 mins in the school hall.
We will also send resources home so that if you can't make it, you can have access to everything that we have shared.
